- Global reach and local expertise
- Flexible capacity and scalable solutions
- Proven track record and industry expertise
- Comprehensive range of services

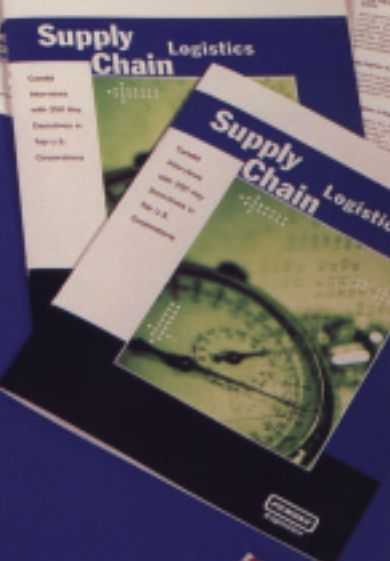

Presidents of logistics services typically say, "We drive costs out of the supply chain." And U.S. industry typically responds, "Drive it!"

At Penke Logistics, we prove it every day.

Yes. We drive costs out of the supply chain.

Over 2000 great clients for a comprehensive range of Supply Chain Logistics & Warehousing needs for North America.
